

**REQUEST FOR PLANT HEALTH CERTIFICATION
FOR INTERSTATE EXPORT OF LUCERNE SEED
FROM SOUTH AUSTRALIA**

- To obtain a Plant Health Certificate (PHC) a Request Form must be completed and signed.
- A separate form must be used for each CONSIGNOR.
- Unsigned forms will not be processed.

To: PIRSA, SEED SERVICES AUSTRALIA Gate 2A Hartley Grove Urrbrae SA 5064	Fax:(08) 8303 9508	Ph:(08) 8303 9549
--	---------------------------	--------------------------

REQUEST DETAILS

From: (Business Name)			
Address			
Authorised person requesting PHC	Date PHC Required:	Phone	Facsimile

I, the undersigned authorised representative of the above business do hereby request the following Plant Health Certification and declare that;

- *The consignment is accurately labelled in accordance with the entry requirements of the state of the consignee, and*
- *Is free of soil and plant debris, and*
- *The lucerne seed is in the same condition as at the time of first labelling, sampling and certification and has not been subject to subsequent treatments eg. seed coating, and*
- *The information provided in this request is true and accurate in every regard.*

I further understand the certification for interstate export of Lucerne seed grown in South Australia is provided on the basis that the Minister for Agriculture Food and Fisheries and the Government of South Australia, to the extent permitted by law, accept no liability for any loss or damage caused or arising from either the detection of any soil or plant debris in the interstate export of Lucerne seed from South Australia.

I also understand that the provision of the requested certification is dependant upon both the availability of PIRSA staff and their need to verify that the produce to be certified does meet all necessary entry requirements.

Authorised person's Name..... Signature..... Date.....
