

Tackling Tough Times Together

Do you have an idea for a community celebration or a BBQ, but your group just needs funding to enable this?

Are you, or do you know of people in your community, who are:

- ✓ feeling the effects of the drought
- ✓ feeling isolated
- ✓ not coming to events because they can't afford the ticket
- ✓ needing a break from feeding animals?

Do you know an organisation in your town, that is suffering from:

- ✓ volunteer burn out
- ✓ old or ineffective resources, such as computers or amenities
- ✓ limited knowledge or skills?

If this sounds like you, come along and learn about the Tackling Tough Times Together program. **Grants from just a few thousand, up to \$150,000 are available** to support a range of activities.
