## **NOTICE TO FISHERS SNAPPER TAG ARRANGEMENTS**

Dear Charter Boat Fishery Licence Holder,

I write to provide some clarification around the Snapper tags for Charter Boat Fishery licence holders for the South East Snapper fishing season, 1 July 2021 to 31 October 2021.

On 29 June 2021, you were sent a notice to fishers detailing the arrangements for the season, specifically that the Charter Boat Fishery would continue to monitor Snapper catch and their share of the Total Allowable Recreational Catch through the use of Snapper tags. I have attached the original notice for your reference.

The notice indicated that the allocation allowed for 15 tags per Charter Boat Fishery licence holder for 1 July 2021 to 31 October 2021.

Please be advised that the Snapper tags that were issued during the first part of the 2021 Snapper fishing season can be used during 1 July 2021 to 31 October 2021. As such, new tags were only sent out to those Charter Boat license holders who had exhausted their initial allocation.

If you would like your subsequent allocation of 15 tags sent out (less the number of your initial allocation used since 1 July 2021), and have not yet received them, or have any further questions please contact Jordan Lear, Fisheries Management Officer, on (08) 8429 0931 or at [Jordan.lear@sa.gov.au](mailto:Jordan.lear@sa.gov.au)

Yours sincerely
