

## BLUE CRAB FISHERY

*Fisheries Management Act 2007*

*Fisheries Management (Blue Crab Fishery) Regulations 2013*

*Fisheries Management (Marine Scalefish Fishery) Regulations 2017*

## APPLICATION TO TRANSFER BLUE CRAB QUOTA UNITS

### INSTRUCTIONS FOR COMPLETION OF APPLICATION

1. Transfer of GSV/ Spencer Gulf Blue Crab Quota units may be submitted to PIRSA Fisheries & Aquaculture on one application form.
2. **Transfer of blue crab quota will not alter the annual licence fees that apply. Your fees will not be recalculated.** You will still be charged the full licence fee, including any outstanding instalments, for the remainder of the year. Licence holders should consider these fees when negotiating the transfer price of blue crab quota.
3. **All applications must be completed in full before being lodged** with PIRSA Fisheries & Aquaculture. Applications that are not complete, or that do not have correct documentation attached, will be returned. Please contact PIRSA Fisheries & Aquaculture on (08) 8207 5332 if you have any queries. Both parties **MUST** initial each page (bottom corners) where indicated.

### INFORMATION ABOUT TRANSFER

1. The *Fisheries Management (Blue Crab Fishery) Regulations 2013* provide that where a quota transfer takes place the Minister must vary the licence conditions of the relevant licences to also adjust the pot entitlement, in accordance with the formula in regulation 9(3) of those Regulations. Therefore, if one or both of the licences in this transfer is a licence for the Blue Crab Fishery and this application is approved, your quota unit entitlement will be adjusted and your pot entitlement will also be adjusted.
2. Quota entitlements can be transferred in **whole uncaught units only**.
3. **Any quota entitlements carried over** from the previous quota period must be fished on the same licence and **cannot be transferred**.
4. Quota entitlements should not be fished until you have received written confirmation that the entitlements have been endorsed on the licence.
