NORTHERN ZONE ROCK LOBSTER FISHERY (NZRLF)
Fisheries Management Act 2007
Fisheries Management (Rock Lobster Fisheries) Regulations 2017

**APPLICATION TO TRANSFER
ROCK LOBSTER QUOTA UNITS AND / OR POTS**

INSTRUCTIONS FOR COMPLETION OF APPLICATION

1. Transfer of both Inner Region /Outer Region Quota units and/or pots may be submitted to PIRSA Fisheries & Aquaculture on one application form.
2. **Transfer of rock lobster will not alter the annual licence fees that apply. Your fees will not be recalculated.** You will still be charged the full licence fee, including outstanding instalments, for the remainder of the year. Licence holders should consider these fees when negotiating the transfer price of rock lobster quota.
3. All **applications must be completed in full before being lodged.** Applications that are not complete, or that do not have correct documentation attached will be returned. Please contact PIRSA Fisheries & Aquaculture if you have any queries. Both parties **MUST** initial each page (bottom corners) where indicated.

INFORMATION ABOUT TRANSFER

1. The minimum pot holding is 20 pots. However, you may temporarily transfer below this pot holding. If you make an application that results in the number of pots endorsed on your licence being temporarily less than 20 pots, you are not permitted to undertake any fishing activity pursuant to your licence or transfer quota. This includes fishing for Scalefish species.
2. The holder of the licence in respect of the fishery must not fish for Rock Lobster, or any other species while the number of rock lobster units allocated to the licence in respect of that Region is less than 320 units.
3. If you want to transfer some units or pots permanently and some units or pots temporarily, you will need to complete two separate forms.
4. The maximum pot holding is 100 pots.
5. **Any quota entitlements carried over** from the previous quota period must be fished on the same licence and **cannot be transferred.**
6. Quota entitlements can be transferred in **whole uncaught units only.**
7. Quota entitlements should not be fished until you have received written confirmation that the entitlements have been endorsed on the licence.
