Removed from Disclosure Log

Dear [Removed from Disclosure Log]

Determination under the *Freedom of Information Act 1991*

I refer to your application made under the *Freedom of Information Act 1991* which was received by the Department of Primary Industries and Regions (PIRSA) on 20 July 2026, seeking access to the following:

"Photos of kangaroos and joeys provided to PIRSA by field harvesters (commercial and non-commercial) and Primary Producers under the drought support package for reducing pressure through kangaroo management, for the period 9/4/2026 to 20/7/2026, with photographs to be provided in the same format as previous requests of one photograph per page, in colour, to enable species identification."

Timeframe: 9/04/2026 to 20/07/2026

Accordingly, the following determination has been finalised.

I have located three hundred and sixty-five photographs compiled into two documents that are captured within the scope of your request.

Determination

I have determined that access to the following documents is **granted in part**:

Doc No.	Description of document	No. of Pages
1	182 photographs of deceased kangaroos provided to PIRSA by field harvesters under the Drought Support Package for reducing grazing pressure through kangaroo management dated 9/4/2026 to 20/7/2026	182
2	183 photographs of deceased kangaroos provided to PIRSA by field harvesters under the Drought Support Package for reducing grazing pressure through kangaroo management dated 9/4/2026 to 20/7/2026	183

The information removed from the above documents is pursuant to Clause 6(1) of Schedule 1 of the Freedom of Information Act which states:

"6 - Documents affecting personal affairs

(1) A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead)."

The information removed consists of the following:

- Document 1:
 - images of footwear and other detail that could identify an individual
- Document 2:
 - GPS location data
 - images of footwear that could identify an individual

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individuals concerned.
