INSTRUCTIONS TO POT REGISTRATION HOLDERS

You must have a valid rock lobster pot registration (and valid tags fitted to each pot) before you can use a rock lobster pot in South Australian waters. Your rock lobster pot must comply with Fisheries Regulations.

A numbered tag issued by PIRSA **MUST BE** attached to the top of the rope near the red floating buoy, so that it is visible above the surface of the water, when the pot is in use. In the case of a lost or stolen tag, you will be required to apply to PIRSA Fisheries & Aquaculture for a replacement tag to be issued. Applications for replacement tags can be made in person at a PIRSA Fisheries & Aquaculture office or by telephoning PIRSA Fisheries & Aquaculture on (08) 8207 5332 to request a form. A fee of **\$36.75** applies to the issue of replacement tags. Pots must be removed from the water until the replacement tag has been received and attached.

Please note: this registration is an 'authority' for the purposes of section 116 of the *Fisheries Management Act 2007* and as such the registration holders full name and postal address will appear on the public register.
