Compliance Program

Deliverables
<p>The coordination of compliance outputs is guided by a fishery specific compliance plan which was initially developed in consultation with the Central Zone Abalone Fishery and is reviewed annually.</p> <p>The plan ensures compliance effort is intelligence driven, efficient, cost effective and outcome focused. The plan comprises three core outputs (Education and Awareness, Effective Deterrence and Enforcement) and is optimised towards increasing voluntary compliance and maximising effective deterrence.</p> <p>Analysis of intelligence and information holdings is regularly conducted to identify the major Compliance risks to the sustainability of the Fishery. The combination of strategies, actions, and initiatives are critical to focus the primary compliance effort to manage the risks and achieve targeted outcomes.</p> <p>The Central Zone Abalone Fishery Compliance Reports are produced annually and forwarded to the Executive Officer, CZAF.</p>
