

# PLAY YOUR PART

# Returning from overseas?

## Help keep Australia free of emergency animal diseases

### Clean

your footwear, clothing and equipment to remove mud, animal manure and mucus. If they can't be cleaned properly, leave them behind.

### Dispose

of all meat and dairy products. Food served on your flight or bought at an overseas airport must be left on the plane. Don't pack meat or dairy products.

### Avoid

farms for at least seven days if you've visited an area with farm animals.
