Dear Dr Centofanti

Determination under the *Freedom of Information Act 1991*

I refer to your application made under the *Freedom of Information Act 1991* received by the Office of the Minister for Primary Industries and Regional Development, Minister for Forest Industries on 21 July 2026 requesting access to the following:

> *"All documents, including but not limited to emails, text messages, and any other form of correspondence between the Minister (including staff in the Minister's Office) and the Cross Border Commissioner for the period 22/03/26 to 25/06/26."*

Accordingly, the following determination has been finalised.

I have located four documents that are captured within the scope of your request.

Determination 1

I have determined that access to the following document is **granted in part**:

Doc No.	Description of document	No. of Pages
3	Email thread between Regional Development Australia Yorke and Mid North, Office of the Minister for Primary Industries and Regional Development and Cross Border Commissioner – South Australia dated 14/4/2026 to 3/6/2026 re meeting	4

The information removed from the above document is pursuant to Clause 4(1)(a) and Clause 6(1) of Schedule 1 of the Freedom of Information Act.

SOUTH AUSTRALIA

Clause 4(1)(a) states:

> ***4—Documents affecting law enforcement and public safety***
> *(1) A document is an exempt document if it contains matter the disclosure of which could reasonably be expected—*
> *(a) to endanger the life or physical safety of any person*

The information removed pursuant to Clause 4(1)(a) consists of the floor number of the workplace of the officers concerned.

The floor concerned is shared by other tenants and is regarded as a security floor. Accordingly, the release of this information could pose a security risk to the physical safety of all officers accommodated on the floor.

Clause 6(1) states:

> *"**6 - Documents affecting personal affairs***
> *(1) A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead)."*

The information removed pursuant to Clause 6(1) consists of the following:

- Names of Departmental officers
- Mobile telephone numbers of Departmental officers and other individuals
- Landline telephone number of a Departmental officer
- Private email addresses

The term 'personal affairs' has been held to involve 'matters of private concern to an individual' and the 'composite collection of activities personal to the individual concerned'.

Consent has not been provided to disclose the names of the Departmental officers and, accordingly, there would be an expectation that their personal information would not be released in this way.

As a mobile telephone number allows a person, including an officer of an agency, to be contacted outside of business hours and is information that is not ordinarily available to the public, the information is taken to concern the personal affairs of an individual.

The landline number is considered exempt in order to avoid direct contact from members of the public who wish to circumvent the established process of contacting the publicised telephone number for the Office of the Minister.

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individuals concerned.

Determination 2

I have determined that access to the following documents is **granted in part**:

Doc No.	Description of document	No. of Pages
1	Emails between Cross Border Commissioner – South Australia and Office of the Minister for Primary Industries and Regional Development dated 8/4/2026 re meeting with Minister Scriven	3
2	Email thread between Cross Border Commissioner – South Australia and Office of the Minister for Primary Industries and Regional Development dated 13/4/2026 and 14/4/2026 re meeting with Minister Scriven in Mount Gambier	4
4	SMS Message from Cross Border Commissioner to Office of the Minister for Primary Industries and Regional Development dated 19/05/2026 re potential meeting with Victorian and South Australian Ministers	1

The information removed from the above documents is pursuant to Clause 6(1) of Schedule 1 of the Freedom of Information Act.

The information removed consists of the following:

- Document 1:
  - Names and mobile telephone numbers of Departmental officers
  - Landline telephone number of a Departmental officer
- Document 2:
  - Names and mobile telephone numbers of Departmental officers
  - Landline telephone number of a Departmental officer
  - Private email addresses
- Document 4:
  - Mobile telephone number of a Departmental officer
  - Name of a Departmental officer

Consent has not been provided to disclose the names of the officers and, accordingly, there would be an expectation that their personal information would not be released in this way.

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individuals concerned.

Dear Clause 6(1)

Thanks for your time, as discussed if we were able to schedule a half an hour with Minister Scriven MLC, Minister for Primary Industry and Regional Development, following our mutual attendance at the Limestone Coast Leadership Luncheon this Friday 10 March in Robe.

While I don't have an agenda, I would like to generally catch up with Minister Scriven MLC regarding regional feedback and opportunities for evolving engagement with regions post the 2026 election. In particular I would like to discuss some inter-state examples including the recent NSW example of the Premier's regional advisory group Minns Labor Government to convene dedicated regional advisory group | NSW Government.

I would also like to share some industry feedback in relation to fuel supply and specific cross border pinch points.

If you need any further details, please let me know, and I look forward to seeing the Minister on Friday in Robe.

Dear Clause 6(1)

Following on from my meeting with Minister Scriven MLC on Friday in Robe the Minister indicated that if it were possible we might meet for an hour on Tuesday afternoon in Mount Gambier. We would then also include the Chair of Regional Development Australia Limestone Coast, Ms Robyn Verrall (likely by video conference).

In terms of options for discussion on Tuesday, I have also attached the outline of the recent NSW announcement of a Regional Advisory Council.

If the Minister does find that she has an opportunity to meet the venue would be at 27 Sturt St, Mount Gambier (our offices). If you have any questions please do not hesitate to contact me on my mobile Clause 6(1).

Hey, um, uh. It's Kelly and Stephen calling from Office of Crossborder Commissioner Clause 6(1). I was wondering whether you could give me a call. I've been working with Lucas around the potential meeting between Victorian and South Australian Minister. Um, and the Victorian CBCs asked for a detail for their briefing. So if you could give me a call back, I should be an easy question to answer. Thank you, bye. bye
