

Fisheries Management (Prawn Fisheries) Regulations 2017

Regulation 12

Determination

For the purpose of regulation 12 relating to Periodic Returns, I make the following determinations in relation to the Gulf St Vincent Prawn Fishery, commencing 1 May 2024 –

Regulation 12(1) (provide return)

- (1) The holder of a licence in respect of the Gulf St Vincent Prawn Fishery must complete a return from the South Australian Western King Prawn Fishery Daily Logbook for each day that fishing activity is undertaken pursuant to this licence in respect of every trawl shot carried out during a fishing night and deliver the return to the Department at the address on the logbooks within 48 hours after unloading the aquatic resources taken by that trawl shot.

Regulation 12(2) (keeping records)

- (1) The holder of a licence in respect of the Gulf St Vincent Prawn Fishery must-
- (a) make a copy of each form from; the South Australian Western King Prawn Fishery Unloading Logbook and the South Australian Western King Prawn Fishery Daily Logbook that he or she completes under this determination before the record is sent or delivered to the Department consistent with the instructions on the approved form; and
 - (b) retain the copy for a period of 12 months from the last day of the month to which the record relates.

Department - means the Department of Primary Industries and Regions South Australia.

Trawl shot – means setting, towing and retrieval of a trawl net used as a single rig or trawl nets used as a double or triple rig.

Dated: 2 May 2024

Prof Gavin Begg

Executive Director, Fisheries and Aquaculture

As delegate of the Minister for Primary Industries and Regional Development
