OFFICIAL

Information requested for points 4-5 in FOI, relating to the Drought Support Program from 26/11/2024 to 20/01/2026	Response	Comment
<i>4a. Funds dispersed for commercial harvesting permits to field processors.</i>	Nil	The Drought Support Program does not disperse funds for application for commercial harvesting permits. However, \$381,061 has been dispersed from 26/11/2024 to 20/01/2026 to harvesters as incentives (\$5 per kangaroo and daily incentives) for the commercial harvest of kangaroos. Claims for incentives for January 2026 have not yet been received or processed.
<i>4b. Funds dispersed for Destruction Permits to field processors.</i>	Nil	The Drought Support Program does not disperse funds for application for Destruction Permits (such as application fees). Destruction Permits are issued by the Department for Environment and Water. PIRSA has dispersed \$13,654 in incentives to Commercial field processors (who already have destruction permits) for the destruction of kangaroos from 26/11/2024 to 20/01/2026.
<i>4c. Funds dispersed for Destruction Permits to primary producers.</i>	Nil	The Drought Support Program does not disperse funds for application for Destruction Permits (such as application fees). Destruction Permits are issued by the Department for Environment and Water. PIRSA has dispersed \$7,500 in incentives to Primary Producers (who already have destruction permits) for the destruction of kangaroos from 26/11/2024 to 20/01/2026.
<i>4d. Funds dispersed as daily incentives.</i>	\$86,300 dispersed as daily incentives from 26/11/2024 to 20/01/2026	
<i>4e. Funds dispersed as grants for field processors.</i>	\$359,938 dispersed as grants from 26/11/2024 to 20/01/2026	
<i>5. Details of any claims related to these permits or associated incentives/grants that were denied, including the reason for each denial.</i>	Nil	No claims for incentives or grants from 26/11/2024 to 20/01/2026 were denied, but some claims for incentives were refined by field producers during review by PIRSA, to clarify information or details such as dates, number of kangaroos harvested and GST. Some claims for incentives are awaiting more information (as per requirements in the program guidelines) before they can be processed.
