**NOTICE TO MARINE SCALEFISH FISHERY, SOUTHERN ZONE ROCK LOBSTER
FISHERY AND NORTHERN ZONE ROCK LOBSTER FISHERY LICENCES WITH
MARINE SCALEFISH ACCESS**

Information on electronic reporting for the Marine Scalefish.

Dear Licence holder

The implementation of electronic Catch Disposal Records for the Marine Scalefish Fishery has commenced with information sessions conducted across various locations.

The uptake of electronic reporting is progressing very well and we encourage those who are yet to start electronic reporting to download the Commercial Fishing SA app and commence utilising the new process as soon as possible.

In recognition of the busy period approaching and office closures, the implementation of mandatory electronic reporting has been extended from 20 December 2022 to 31 January 2023.

In the meantime, fishers that have commenced reporting electronically and have submitted a sufficient number of eCDRs, can request to be transitioned to paperless reporting prior to 31 January 2023, following a review of their submissions.

If you have any queries, please contact PIRSA Fisheries & Aquaculture, Leasing & Licensing on 8207 5332 or email pirsa.ebusinessfisheries@sa.gov.au.

Yours sincerely
