**NOTICE TO GULF ST VINCENT PRAWN FISHERY****Information on periodic return reporting for the Gulf St Vincent Prawn Fishery**

Dear Licence holder

I write to provide an update on the determination implemented for periodic return reporting for the Gulf St Vincent Prawn Fishery.

Previously all the periodic reporting requirements for all Prawn Fisheries were stipulated within a single Ministerial determination. They have now been separated into individual determinations for each prawn fishery due to varying transition commencement dates for the introduction of electronic reporting. Under the new determination for the Gulf St Vincent Prawn Fishery the previous arrangement for the submission of paper periodic returns will continue in the same manner until electronic reporting is implemented.

The new determinations are published on the Department of Primary Industries and Regions (PIRSA) website and can be viewed at

If you have any queries or you require a hard copy of the determinations, please contact PIRSA Fisheries and Aquaculture, eCDR team on 8207 5332 or email [pirsa.ebusinessfisheries@sa.gov.au](mailto:pirsa.ebusinessfisheries@sa.gov.au).

Yours sincerely
