Name of specified person:

Signature:

Date:

SECTION 6
ADDITION OF SPECIES

Only complete this section if you are applying to add new species to your site.

1. Provide details of any new species you wish to farm on the site;

Common Name

Scientific Name

.....

.....

.....

.....

2. Detail the expected tonnage on the site for each species identified:

Common Name (Scientific Name)	Max Expected tonnage on site (at full development)
1.	
2.	
3.	

3. Detail the expected stocking rate for each species:

Common Name (Scientific Name)	Stocking rate on site (e.g. kg/m ³)
1.	
2.	
3.	

.....

4. Detail where aquaculture stock will be obtained for each species applied for. Note for seaweed species, detail the original source of stock (e.g. from which macroalgae management area it came from). **NOTE** a Fisheries permit may be required for collection of stock from the wild.

.....

5. Specify the **type**, **amounts** and **source** of food or nutrients (in kilograms/litres) to be fed per month to the stock (e.g. fertiliser, dry pellets, moist pellets, silage):

.....

6. Specify the manner, frequency and amount that food or nutrients will be added (e.g. automatic feeder, delivery on demand or delivery at specific times, by hand):

.....

7. Identify any diseases which are known to cause problems for the proposed species. For each species state the diseases, provide details on how you will prevent the disease from occurring and what strategies you will use if there is a disease outbreak (attach separate pages if required):

.....

8. List any known predators and provide details on the methods which will be used by the applicant for preventing and/or minimising these problems:

.....

9. What measures will be undertaken to prevent the escape/accidental release of stock:

.....

SECTION 7 CHANGES TO CURRENT FARMING OPERATIONS

10. Provide details of the farming methods to be used to culture any additional species for which you are applying (attach a separate sheet if insufficient room):

.....

11. Provide details of any new farming structures for which you are applying (e.g. number, dimensions) (attach a separate sheet if insufficient room):

.....

.....

.....

12. Scale diagram of the new farming layout on the site attached?

YES ☐ NO ☐

13. Scale diagrams of all new structures attached?

YES ☐ NO ☐

SECTION 8 OTHER CHANGES TO LICENCE CONDITIONS

14. If you are applying to change any other licence conditions please provide details (attach a separate sheet if insufficient room):

.....

.....

.....

SECTION 9 DECLARATION

A person must not make a statement that is false or misleading in a material particular (whether by reason of the inclusion or omission of any particular) in any information provided under the *Aquaculture Act 2001*.
Maximum penalty: \$5000.
