

Troubridge Hill Aquatic Reserve

Troubridge Hill Aquatic Reserve protects a diverse intertidal reef and sub-tidal reef community, where the following rules apply:

Permitted activities

Only certain low impact activities are allowed within the reserve.

They include:

- ✓ Fishing by rod and line or handline
- ✓ Boating
- ✓ Diving
- ✓ Swimming

Prohibited activities

✗ Collecting or removing any marine organism by any method other than line fishing

The wreck of the 109 metre *S.S. Clan Ranald* lies in 22 metres of water within the reserve. Strong tidal currents occur in the vicinity of the wreck so care must be taken when diving at the site.

Maximum penalty of \$20,000 applies.
