## NOTICE TO LAKE EYRE BASIN FISHERIES LICENCE HOLDERS

### Extension to the duration of the Management Plan for the South Australian Lake Eyre Basin Fisheries

Dear Lake Eyre Basin Fishery Licence Holder,

I write to inform you that as delegate of the Minister for Primary Industries and Regional Development, I have extended the term of the *Management Plan for the South Australian Commercial Lake Eyre Basin Fisheries* until 31 August 2024 (a period of 18 months). A copy of the gazettal notice implementing this decision is attached for your information.

The extension will support the timeframes required to allow a review of the *Management Plan for the South Australian Lake Eyre Basin Fisheries* to be conducted, finalised and provided to the Minister for Primary Industries and Regional Development for consideration and adoption prior to 31 August 2024.

The Department of Primary Industries and Regions (PIRSA) will work with all stakeholders with an interest in the fishery when undertaking the review of the current management plan for the fishery and in the development of a new management plan for the Lake Eyre Basin Fishery.

The current management plan can be downloaded from the publications section of the PIRSA website at:
