Dear Flock Owner

Ovine Brucellosis-free Accreditation Scheme

Please find attached a set of the requirements for the scheme together with an application form and a form for the initial accreditation fee invoice.

Please complete all the particulars on the application form and sign the declaration. Ensure you retain a copy of the application for your records and return the original to the Department, before testing is commenced.

Once you have read the scheme and completed the application form please make arrangements with your veterinarian to complete the testing of rams.

When testing is completed please return the invoice form to this office.

If you require clarification or further information on the scheme please contact Karen Greenhalgh on (08) 8429 0869 or email karen.greenhalgh@sa.gov.au in the first instance.

Yours faithfully

Dr Mary Carr
Chief Veterinary Officer
