Dear Ms Centofanti

### Determination under the *Freedom of Information Act 1991*

I refer to your application made under the *Freedom of Information Act 1991* which was received by the Department of Primary Industries and Regions (PIRSA) on 8 November 2022, seeking access to the following:

*"A copy of all entries in the diary of the Chief Executive of PIRSA between 1 August and 31 October 2022."*

Accordingly, the following determination has been finalised.

I have located three documents that are captured within the scope of your request.

#### **Determination 1**

I have determined that access to the following document is **granted in part**:

| Doc No. | Description of document   | No. of Pages |
|---------|---|--------------|
| 1       | Calendar print-out – Prof Mehdi Doroudi PSM – 1/8/2022 to 31/8/2022 | 23           |

The information removed from the above document is pursuant to Clause 6(1) of Schedule 1 of the Freedom of Information Act which states:

#### ***"6 - Documents affecting personal affairs***

*(1) A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead)."*

The material removed consists of personal information relating to the Chief Executive and other individuals.

The term 'personal affairs' has been held to involve 'matters of private concern to an individual' and the 'composite collection of activities personal to the individual concerned'.

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individuals concerned.

## **Determination 2**

I have determined that access to the following documents is **granted in part**:

| Doc No. | Description of document   | No. of Pages |
|---------|---|--------------|
| 2       | Calendar print-out – Prof Mehdi Doroudi PSM – 1/9/2022 to 30/9/2022   | 22           |
| 3       | Calendar print-out – Prof Mehdi Doroudi PSM – 3/10/2022 to 31/10/2022 | 21           |

The information removed from the above documents is pursuant to Clause 6(1) and Clause 9(1) of Schedule 1 of the Freedom of Information Act.

The material removed pursuant to Clause 6(1) consists of personal information relating to the Chief Executive and other individuals.

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individuals concerned.

Clause 9(1) states:

### ***“9—Internal working documents***

*(1) A document is an exempt document if it contains matter—*

*(a) that relates to -*

- (i) any opinion, advice or recommendation that has been obtained, prepared or recorded; or*
  - (ii) any consultation or deliberation that has taken place, in the course of, or for the purpose of, the decision-making functions of the Government, a Minister or an agency; and*
- (b) the disclosure of which would, on balance, be contrary to the public interest.”*

The information removed pursuant to Clause 9(1) consists of the topics of discussions for the decision-making purposes of a Chief Executive.

In addressing the public interest test for the Clause 9(1) exemption, I have balanced the following factors:

*In favour of the public interest:*

- Meeting the objects of the Act favouring access to documents.
- Ensuring optimal use of public resources.
- High level of interest in the accountability of public office holders.
- The importance of transparency and openness and the interest that the public has in the decision-making processes of Government.

*Contrary to the public interest:*

- Topics of discussion are required to be recorded in the Chief Executive's calendar, however, the confidentiality of some subjects must be maintained for decision-making purposes prior to being publicly known.
- The recent age of the information was considered and the continuing relevance of the matters.
- Disclosing this information may compromise the manner in which information is gathered in the future for the decision-making processes of Government.
- The release of this information would have the potential to harm business relationships with Government.

Having considered the various factors weighing for and against disclosure, I have determined that disclosure of this information would, on balance, be contrary to the public interest.

If you are dissatisfied with this determination, you are entitled to exercise your right of review and appeal as outlined in the attached documentation <https://archives.sa.gov.au/finding-information/information-held-sa-government/making-freedom-information-application#Review>, by completing the "FOI Application Form for Internal Review of a Determination" and returning the completed form to:
