

OJD Information Sessions

Are you up to date with changes to the South Australian Ovine Johne's Disease (OJD) management program?

The management of OJD changed in South Australia on 1 July 2019 with the lifting of restrictions on sheep movements into the state.

Come along and hear from PIRSA Animal Health Officers and Zoetis staff about:

- recent changes to the OJD program
- new entry requirements into SA
- how to manage OJD risks for your property
- One Biosecurity program
- OJD disease information
- Gudair vaccination

A BBQ lunch will be provided at the conclusion of each session.
