

Plague Locust Chemical Rebate 2026

Please refer to the guidelines for full eligibility and rebate information.

The information below is provided to assist you in completing the application form and understanding the information and supporting documentation required.

Supporting documents

You will need the following information and supporting documents to complete your application:

- Evidence of land ownership (e.g. certificate of title, property rates notice), lease agreement or written approval from landowner
- Property location (address) and Local Government Area or Unincorporated Area
- Australian Business Number, active and registered for GST from 1 July 2026
- Invoices and payment evidence to show that approved product/s were purchased within the eligible period **1 July 2026 to 31 December 2026** and have been paid in full by the applicant.
- Valid evidence of payment includes bank statements, supplier statements, paid invoices that identifies the account holder.
- Applicants must also supply spray records that match the rebate claim.

Note

Supporting documents can be uploaded in three different sections of the application. For simplicity, we recommend uploading all documents in the Supporting Documents section. If you have already progressed past this section, you will have another opportunity to upload them in the Project Costs section.

Section 1: Applicant Details, Applicant trading / business / operating name and Key Business Activities

- Applicant Details: Enter the details of the applicant applying for the rebate.
- Applicant trading / business / operating name: Enter your trading, business or operating name, if applicable.
- Key Business Activities: Select your main business activities (e.g. livestock production, grain cropping, mixed farming).

Section 2: Contracting Legal Entity

If the Contracting Legal Entity is different from the Applicant, select 'No' to the question 'Is Contracting Legal Entity ABN the same as the Applicant?'. Additional fields will then appear for you to enter the Contracting Legal Entity details, including the ABN. For Trusts, the Contracting Legal Entity should be the Trustee.

Section 3: Activity Description

Please provide the following:

1. Activity Name: Enter the activity name, for example, Plague Locust Chemical Rebate 2026.
2. Activity Outcome: Provide a brief, high-level summary of what you are seeking funding for.
3. Activity Description: Describe the activity being undertaken. You may provide additional details about what you are seeking funding for, but this is optional.
4. Start and End Dates: Enter the date the activity commenced and the date the activity was completed or is expected to be completed.
5. Total Cost: Enter the total cost of all activities being claimed, including all products listed in the Project Costs section. For example, three invoices of \$500 each (including delivery costs) would result in a total cost of \$1,500.00.
