Determination

For the purpose of Regulation 16 of the Fisheries Management (Lakes and Coorong) Regulations 2024 relating to information to be provided – taking pipi in the Lakes and Coorong Fishery, I make the following determinations commencing 1 July 2025: –

Regulation 16 (provide information – taking Pipi)

- (1) If fishing activities involving the taking of pipi under a licence in respect of the fishery subject to a condition fixing a pipi quota entitlement are, or are to be, engaged in, Licence Holder, Registered Master or Nominated Agent under the licence must notify the Department at least 1 hour before the commencement of the fishing activities and provide the following information:
 - (a) the name of the person making the report; and
 - (b) the date on which, and the time at which, the fishing activities are to be engaged in; and
 - (c) the location at which the fishing activities are to be engaged in; and
 - (d) the number of the licence under which the fishing activities are to be engaged in; and
 - (e) if the licence holder registered masters of a registered boat or nominated agent approved under the regulations for this fishery is to be engaged in the fishing activities – the name of the registered master of the boat or nominated agent.

- (2) For the purposes of notifying the Department of the information required in this determination the licence holder or registered masters must contact the Department -
 - (a) by telephone on 1800 065 522; or
 - (b) where the licence holder, registered master or nominated agent has written approval from the Executive Director or Director Operations to complete and submit an electronic report in respect of all pipi harvested pursuant to that licence by an electronic report.

For the purposes of this determination –

Electronic report – means an entry received in the eCatch electronic database created and administered by the Department. This may be directly entered into the eCatch electronic database via the myPIRSA portal (www.pir.sa.gov.au/ecatch); or via the PIRSA Commercial Fishing SA application; or via the Fishwatch Call Centre; or other third party application. If entered by a third party application the Licence Holder, Registered Master or Nominated Agent must ensure the report has been received by the eCatch electronic database.

Completed – means the electronic report has been received by the PIRSA eCatch electronic database; or the report has been submitted via the PIRSA Commercial Fishing SA application. The electronic device used to enter the report via the PIRSA Commercial Fishing SA application must be provided to a Fisheries Officer upon request, the user is to enable access to the PIRSA Commercial Fishing SA application installed on the device to verify the report has been submitted.

Director of Operations - means the Director Fisheries and Aquaculture Operations within the Fisheries and Aquaculture Division of the Department.
